

TRAP SHOOTING

Outdoor Recreation
Family & MWR Fort Benning

DESCRIPTION

All equipment (ear & eye pro, clay pigeons, ammunition and 12 or 20 gauge shotguns) will be provided, by the MWR Recreational Shooting Complex, for an instructional and competitive morning of trap shooting.

Participants will be divided into groups of five and compete against other Soldiers in their unit.

Participants are welcome to use their own equipment, with the understanding that it is subject to inspection by Recreational Shooting Complex staff. Individuals must also follow all post policies and regulations, including registering his/her firearm on Fort Benning with the Provost Marshal's office.

All skill levels are welcome to participate--instruction will be given on gun safety and trap shooting strategy prior to activity starting.

Lunch is provided. Please contact us at least 24 hours in advance with specific dietary concerns.
