SPOTLIGHT

COACHING THE NEXT GENERATION

The CYS Youth Sports program plays a vital role in the physical, social, and emotional development of children, but it cannot thrive without enthusiastic leaders! At the heart of this incredible program are the dedicated volunteers who step up to guide, inspire, and mentor these young athletes. Becoming a youth sports coach is more than just teaching the rules of a game - it's the opportunity to make a lasting, positive impact on the lives of children right here at home. Whether you're a parent, Servicemember, retiree, or simply an active DoW Civilian, volunteering your time offers an incredibly rewarding experience filled with personal, professional, and highly tangible benefits.

The absolute best part? Coaching is a highly manageable and flexible commitment that fits into even the busiest schedules. This minor weekly investment of six to eight hours includes everything from energized weekday practices to game days. Plus, you don't need to be an elite athlete or have any prior coaching experience to get started. Our program provides all of the training and support you need to lead with confidence from day one - at no cost to you.

With opportunities available for head coaches, assistant coaches, referees, and team helpers, there is a perfect role waiting for you. To ensure you feel fully prepared and empowered, our program guides you step-by-step through a structured onboarding pathway. This includes earning your National Alliance for Youth Sports (NAYS) certification, which equips you with top-tier knowledge in sports psychology and safety. Volunteers also complete a standard background check and receive CPR and First Aid training. These valuable credentials not only protect our young athletes but also provide you with lifesaving, professional skills. Once you're cleared, we'll pair you with a team based on your favorite sports and preferred age groups.

Beyond the personal fulfillment, this volunteering opportunity delivers both professional and personal advantages. For active duty Servicemembers and career-driven professionals, coaching is a great way to accumulate official volunteer hours that can pave the way to your next promotion. Even better, we love to reward our volunteers with incredible perks! When you step up to coach, your own child gets to play that sport completely free. This registration fee waiver makes youth sports more affordable while giving you the opportunity to bond on the field and create memories.

The journey begins with a quick, easy coaching application that you can pick up at our local Youth Sports Office, located at 7110 McIver Street, Building 1056. Join our coaching community and inspire the next generation of champions today!

Mark your calendars for an unforgettable weekend from Friday, October 16 to Sunday, October 18, as Fort Benning's MWR and Qualified Recycling Program present Oktoberfest at Uchee Creek Campground & Marina. Get ready to put on your dirndl or lederhosen, gather the family, and enjoy three days of authentic Oktoberfest fun filled with delicious German and local food, refreshing brews, traditional music, and plenty of family-friendly activities.

The Maneuver Center of Excellence Band will serenade us with the German and American national anthems as Fort Benning's leadership taps the keg on Friday, at 6 p.m.

Once you hear "O'Zapft is" (it's tapped), the party begins!

Head over to the Russell County Commission Oktoberfest Festzelt, where authentic German bands will keep the energy high all weekend. Enjoy schnitzel, Bratwurst, and German brews at the many Biergartens around the tent. Over at the Uchee Creek Activity Center, the space transforms into a German sporthaus where you can enjoy bratwurst while watching college and NFL football games on our big screen TVs.

Step into the Group 1 Toyota Rivertown Kinder Wiesn, for nonstop kids' fun with free inflatables, quad jumps, arts and crafts, face painting, crazy hair, a drum circle, and a pumpkin patch. Kids can also enjoy rides like the ferris wheel, teacups, and merry-go-round, and take part in the annual Best Kinder Dirndl and Lederhosen competitions.

The legendary Johnny Koenig, the Polkastar himself, will energize the festival with dynamic performances that keep everyone dancing. Joining the excitement, the Sonnenschein Express returns to bring the spirit of Alpine Oktoberfest with lively traditional music, while the Maneuver Center of Excellence Band rounds out the entertainment with crowd-favorite performances that always get the community on its feet.

The Dirndl Dash 5K and Lederhosen Leap 10K, sponsored by Double Time Sports,

kick off the festivities on Saturday. Be sure to pre-register to secure your event t-shirt! Saturday is packed with fun and excitement.

Join us for the Dog Costume Contest and cheer on the speedy pups at the Dachshund Derby. Test your competitive spirit with a variety of adult games, including keg tossing, beer pong, and more. As the sun sets, the energy keeps rising with the Stein Hoisting competition and the prestigious Mr. & Mrs. Oktoberfest contests in the festzelt.

On Sunday, immerse yourself in tradition with a special Crossroads church service in the fest tent at 11 a.m., and experience the authentic Wiesn church service, a cherished Munich Oktoberfest tradition.

Get ready for an unforgettable Oktoberfest experience at Uchee Creek Campground and Marina! Fort Benning's Oktoberfest is dog-friendly (leashes required), and no visitor pass is needed if you enter through Alabama Highway 165. And don't forget—all event times follow Eastern Time, so keep an eye on your phone's time zone!

Thank you to our Sponsors! Fort Benning's Oktoberfest is sponsored by Qualified Recycling Program, Russell County Commission, Group 1 Toyota Rivertown, Gary Sinise Foundation, USAA, PMB Radio, First Command, Rally Point Harley Davidson and AutoNation!*

Relocation Readiness Program (RRP)

The RRP offers comprehensive services to Soldiers and Family members to assist with their move to Fort Benning and make the process as smooth as possible. The Lending Closet provides kitchen items, irons, ironing boards, sleeping mats, infant items and other household items. These items are loaned to Soldiers and their Families awaiting shipment of their household goods. Newcomers Orientation

is held, every Wednesday 9-11:30 a.m. in the ACS Auditorium, as part of in-processing, and spouses are encouraged to attend. Breakfast is provided.

Survivor Outreach Services (SOS)

Survivor Outreach Services, located at 7021 Ingersoll Street, Building 359, cares for Families of Fallen Soldiers by providing services at garrisons and in the communities closest to where survivors live. Financial counseling and education, grief and bereavement counseling referrals, community agency referrals and support groups are just a few services we offer. Families may also receive information on local, state and federal benefits from a benefits coordinator at the Casualty Assistance Office. Survivors include spouses, children, parents and siblings of Soldiers who died while on active duty. For more information on Fort Benning's SOS program, call us at 706-545-8990.

Exceptional Family Member Program (EFMP)

The Exceptional Family Member Program (EFMP), located in Building 359, offers support to Soldiers with Family members who have special needs such as physical, emotional or intellectual disorders. The program works to consider the special needs of Family members during the assignment selection process and takes an all-inclusive approach to coordinating military and Civilian community, educational, medical, housing and personnel services. In addition, they act as an advocate for Soldiers and their Families and provide monthly support groups the first Monday of each month as well as other seminars to support EFMP Families.

The MEDDAC EFMP handles enrollments, disenrollments, overseas screenings and questions about the availability of services in the area. Enrollment updates are required every three years or if the medical/educational status changes.

Why It's Important to Pre-Check Your Car Before Winter:

As temperatures begin to drop, winter weather can quickly turn a routine drive into a stressful situation if your vehicle isn't prepared. Performing a thorough pre-winter check helps ensure your car is safe, reliable, and ready for harsh conditions. A little preparation now can prevent breakdowns, expensive repairs, and dangerous roadside emergencies later.

1. Make Sure Your Battery Is Ready for Cold Weather: Cold temperatures reduce a battery's ability to hold a charge, making winter one of the most common times for battery failures. Checking the battery's age, cleanliness, and voltage before winter can prevent the frustration of an unexpected no-start situation. If your battery is near the end of its lifespan, replacing it early is a smart move.

2. Confirm Your Brakes Are in Good Condition: Winter roads often mean snow (we know it's the south but it could happen), ice, slush, and longer stopping distances. Good brakes are essential for safe driving in these conditions. Inspecting brake pads, rotors, and brake fluid ahead of time ensures everything is functioning properly and reduces the risk of skidding or losing control.

3. Test and Inflate Your Spare Tire: Many drivers forget about their spare tire until they urgently need it. Cold air causes tire pressure to drop, including the spare. Making sure it's properly inflated and in good shape could make the difference between getting back on the road quickly or being stranded in freezing weather.

4. Check All Fluid Levels: Engine oil, coolant, windshield washer fluid, and transmission fluid can behave differently in cold temperatures. Ensuring your fluids are topped off and suitable for winter conditions helps your engine run smoothly and keeps your visibility clear.

5. Inspect Tires for Traction and Wear: Good traction is essential on slick roads. Checking tread depth, tire condition, and tire pressure ensures your car can grip the road properly. If you live in an area with heavy snowfall, switching to winter tires can significantly improve safety.

6. Verify Lights, Wipers, and Heating Systems: Winter brings shorter days and more time driving in darkness. Headlights, brake lights, and signal lights must all be in good working order to help you see—and be seen. Wiper blades should be strong enough to handle snow and ice, and your heater and defroster should work efficiently to maintain visibility and comfort. Fort Benning's Auto Skills gives you access to professional bays, lifts, and tools to perform routine and preventive maintenance safely and efficiently.

POV Storage

Do you have a vehicle, boat, trailer, motorcycle or other recreational vehicle that you're trying to sell? Take advantage of our POV Lemon Lot, located behind the Auto Skills Center. It is available to all active duty and retired Soldiers, their dependents and DoW Civilians. For only \$11 per vehicle for 30 days, customers can take advantage of the convenience and visibility that the lot offers. Shoppers interested in purchasing a vehicle from the lot will find prices and contact information on the vehicle, usually posted near the windshield. For additional information and policies, visit our website or call 706-545-7978.

BETTER OPPORTUNITIES FOR SINGLE SOLDIERS

Calling all single Servicemembers! Fort Benning has an energetic, innovative and robust Better Opportunities for Single Soldiers (BOSS) program. The BOSS program was founded in 1989 for the benefit of the more than half of all Servicemembers who are single, single parents or unaccompanied of all ranks and ages. BOSS members participate in several exciting activities, and they benefit from various discounts and free passes to shows and sporting events. Of course, they're well-known in the community, on post and off, for the many hours they devote to volunteering. The BOSS program is composed of three components: Quality of Life/Wellbeing, which addresses issues that influence the morale, living environment or growth and development its members; Community Service, which includes volunteer projects on post and off; and Recreation & Leisure, which includes trips and events that are planned and supported by BOSS members. BOSS meetings are held on the last Wednesday of the month at the Infantry Bar. Please reach out to the Fort Benning BOSS President at 762-524-9316 or stop by their location at Outdoor Recreation, Building 1707.

Monthly Meeting: last Wednesday of the month, at MWR HQ, Building 85 Conference Room
