GEAR FOR school

Come celebrate the end of summer and jump start the school year right by bringing the whole family to MWR's Annual "Gear Up 4 School" event, **8am-1pm July 28 at the Youth Services Campus** (at intersection of Baltzell and McIver streets) on Main Post. This family fun event will consist of fun activities for children and youth, free health screenings, educational activities, refreshments, and information tables for available after school programs and community resources accessible on Fort Benning. Although there will be exciting activities going on throughout the morning, the highlight of the event is the distribution of school supplies. Our objective is for every child to have the best learning opportunity possible, starting with making sure they have the necessary tools they need to be successful in the classroom.

Backpacks are limited and will be distributed on a first come, first served basis, for students in Pre-K through High School; no registration is required to attend. This free event is exclusively for Active Duty and their families, and each student must be present to receive a free backpack filled with school supplies. Parent/Guardian must accompany children, and yes, the student to receive backpacks must accompany parents. Parents must have military ID and children 10 and older must present their ID.

Please keep in mind this is an outdoor event, so prepare for incredibly hot and humid weather. We recommend to bring sun block, water and umbrellas for your safety and comfort. For more information, please visit benning.armymwr.com.

LETTER FROM DIRECTOR

AL GELINEAU

Director of Family and Morale, Welfare and Recreation

As you're making plans for vacation and back-to-school shopping, the team here at MWR is way out in front making plans for next year, for 2018, the 100th anniversary of the start of Fort Benning. We have great plans for the Centennial Celebration, which include a black tie soiree to ring in the New Year. We're calling it the Fort Benning' Centennial New Year's Eve Gala and it will be a wedding reception, of sorts. Let me explain the history behind it.

Fort Benning started as Camp Benning in 1918, after a protracted effort on the part of local leaders to bring a military camp to Columbus. From October of 1918 until the summer of 1919, the camp was located off Macon Road, until the land we call Riverside and surrounding communities was purchased for the Infantry School.

Growth and construction progressed slowly until Benning Road was completed in 1925, making travel between the two communities much faster and safer. Prior to the construction of a paved road, the path between Columbus and Fort Benning was rugged and dangerous, and drivers moved at a snail's pace if they hoped to reach their destination with four tires and two fenders. The road was likened to a washboard if that tells you anything.

According to news accounts of the day, "the long awaited, much anticipated completion of Benning Boulevard was cause for celebration!" Members of the communities gathered at the Springer Opera House in Columbus to celebrate the union with a marriage ceremony. Once the knot was tied, the officiant intoned, "What the paved road has joined together, let no man put asunder."

And that was that.

It's high time we celebrate the union with a reception worthy of the relationship. I hope you'll join us for the Centennial New Year's Eve Gala, from 7:30 pm December 31 to 1:30 am January 1, 2018, at the Benning Club. We have a limited number of tickets you'll find available at benning.armymwr.com.

Of course, this event is just one of many being planned on post and off to celebrate the centennial and the partnership between Fort Benning and Columbus. We'll share information as it becomes available here, on our website, our digital signs, our Facebook page and via email. I strongly encourage you to register for our weekly email updates on our homepage at benning.armymwr.com.

Let me get back to planning while you enjoy this edition of On the Go. From the family here at MWR to your family, thank you for allowing us to serve you for the better part of 100 years. Here's to the next 100!

TERRILL ALEXANDER
Advertising and Sponsorship Coordinator

Terrill Alexander is the newest member of the MWR Marketing team at Fort Benning, but he's no stranger to MWR. With 20 years of MWR experience under his belt, most recently at Fort Knox, Ky., the former Soldier brings a wealth of knowledge to the position of Sponsorship and Advertising Sales Manager. Here he will serve as the conduit for businesses and organizations that partner with MWR to sponsor and support programs and activities.

Alexander was born and raised in Connersville, In., which currently has a population of about 13,000. Small town life in a Hoosier town was great, especially for a young man who loved to play basketball, Alexander said, but 12 years in the Army broadened his horizons.

"The Army was great to me," he said. "It took me places I never imagined I would go and taught me things about myself that only brought out the best in me. I will always be indebted to giving back."

Being part of the MWR team gives him the opportunity to do just that.

"The MWR mission is all about taking care of Soldiers and their families," Alexander said. "As much as I enjoy building partnerships with MWR, internal and external, and I enjoy meeting people from all over the world and experiencing different cultures and beliefs, at the end of the day, there's great satisfaction in bringing others onboard who understand the mission and share our goal of making life better for the people we serve."

Alexander is the father of boys, including a son who serves in the Army. With only a sister remaining in his immediate family, Alexander said MWR has become his extended family. His motto, "Lead, follow or move out of the way," speaks to his desire to be part of an organization leading change and innovation that benefits the military family.

"I want to be part of something special, and once I retire, leave something great within military communities CONUS wide," he said. "If it is our role is to serve Soldiers and families, let's do it to the fullest. We, MWR, are unique in that 'we are what we do!' We work hard to deliver programs and services each and every day. With that, we have the ability to create change."

If your business would like to sponsor an event or advertise in On the Go, on our website or the digital signs all across post, call Alexander today at 706-545-4559.

ARMY EMERGENCY RELIEF

Are Payday Loans Really as Evil as People Say?

They're called payday loans because payday is typically when borrowers can pay them back. They're usually small, short-term loans that can tie you over in an emergency. The interest rates, on an annualized basis, can be in the neighborhood of 400 percent — much, much higher than even the most expensive credit cards. But again, they're meant to be short-term loans, so you're not supposed to get anywhere near that annualized rate. Unless, of course, you do. Because if you can't pay off your payday loan, you might take out another one — a rollover, it's called. This can get really expensive. Really, really, really expensive — so much so that some people think payday loans are just evil!

AER's mission is to provide emergency financial assistance to Soldiers, Retirees and their dependent Family members. AER provides no-interest loans and assists with emergency travel, car repairs, funeral expenses (dependent/non-dependent family members), HVAC repair, dental care and many more categories. To get more information call the Fort Benning AER office at 706-626-0290 or 706-545-4043 or you can go to www.aerhq.org.

AER also offers two needs-based scholarship programs:

-MG James Ursano Scholarship for Dependent Children

(Up to 4 years of full-time undergraduate study)

-Spouse Education Assistance Program *(Up to 4 years of full-time or 8 years of part-time undergraduate study).*

To apply and to get more information, please go to www.aerhq.org.

AER provides an Emergency Food Voucher program that assists with two days' worth of food in the form of a commissary gift card.

BENNING CLUB

OUT WITH THE OLD AND IN WITH THE NEW!

The legacy of the Benning Club is one of history and hospitality. It was originally the Fort Benning Officers' Club when it was founded in 1919. When the current facility opened in Building 128 on Morrison Avenue in 1934, it was considered one of the most modern clubs in the Southeast, with an expansive gallery, separate lounges for men and women, a barber and a beauty shop, billiards room, gymnasium, kitchen and grill, guest quarters on the mezzanine level, servants' quarters onsite for round-the-clock service, a paging system and an in-house telephone system so guests could order from the grill anywhere in the club. The club's first pool and formal gardens were added in 1937, and the Supper Club was added in 1960. The function was similar to that of the Officer's Club, but the Mid-Century Modern architectural style gave a more energetic atmosphere, making the old Officer's Club stodgy by comparison. The angled windows and ceiling, blank walls, staggered wall piercings are details commonly found in this architectural style.

The "O Club" is now the Benning Club, and membership is no longer exclusive. If you're a member of the Fort Benning community, you're a member of the club! And today, with meeting space for events that are intimate or extravagant, with rooms suitable for groups of 40 to 400, the club remains the center of social events on Fort Benning. You may choose to rent one of our rooms or galleries – or all of our rooms and galleries – for your next special event, or you may attend one of many events we host at the club every year, including holiday brunches, Monte Carlo Night, concerts and comedy night, receptions and so much more.

In March 2017, MWR opened the doors to the renovated and redesigned Supper Club. With a new larger floorplan, new carpet, audio visual and air conditioning system, the Supper Club is perfect for large events making it ideal for receptions, balls and formal dinners. As the largest formal venue on Fort Benning, the Supper Club has the ability to seat 500-700 guests depending on the tables used; 500 capacity with round tables and 700 capacity with rectangular tables.

SAVE THE DATE

Join us for the Centennial New Year's Eve Gala, 7:30pm December 31 to 1:30am January 1! This black tie evening will celebrate the completion of Benning Boulevard in 1925 which "united" Fort Benning with Columbus.

Additional chips will be available for purchase until 8pm. This event includes a VIP Texas Hold'em Poker tournament for \$20. Games include Craps, Roulette, Black Jack, Slots and Poker. UCHEE CREEK

MINUTES FROM MAIN POST... BUT WORLDS AWAY

Nestled along the banks of the Chattahoochee River is Fort Benning's best unkept secret: Uchee Creek Campground and Marina. At Uchee Creek, you will discover a 385-acre park equip for with both RV and tent sites, cabins and chalets, recreation areas, rental facilities, a fishing and boating marina, a paintball park, trails, an archery park, and more. The newest addition to the park is a nature playground created just for the kids, adults optional. The playground blends in with the surrounding trees which also provide shade from the blistering hot summer sun, and is located right across from the Uchee Creek pool. Mini guests will enjoy a new tree trunk slide, ladder rope climb, mushroom steps, chipmunk climb, and tree burrow; however, the most exciting feature is the scavenger hunt the playground holds. Hidden on each playground piece is a cute creature, such as a ladybug, blue jay, butterfly, and more! Make a game out of who can identify the most creatures for great outdoor education and activities.

Uchee Creek is open to military ID card holders and families visiting Fort Benning for a military graduation or family day. The park offers full hook-up RV sites, tent camping and a variety of cabins/chalets. Inside the campground are four comfort stations, three laundry facilities and a full service marina for eligible patrons.

FORT BENNING GOLF COURSE

The idea of playing 18 holes of golf in the Georgia heat might sound daunting, but the experts say there are key advantages to playing golf during the summer.

Playing conditions: During the hot summer months, courses are not as full as they are during peak season, so you'll get through a round of golf in much less time. Without the pressure of other golfers in front or behind you, you can spend more time honing your game.

Timing is key: Golf early in the morning or just before sunset to avoid the midday sun. Early morning tee times are highly sought after, so schedule in advance. Schedule your tee time today by calling 706-545-0397.

Sunscreen: Protect your skin by using sunscreen, sunglasses that filter out UVA and UVB rays, and wear a hat with a visor to protect your face.

Dustin Boudreaux

- **Teaching Professional:** To keep your game hot during the dog days of summer, schedule a lesson with Dustin Boudreaux, our Assistant Golf Professional and Teaching Pro, at 706-957-3725.

- **Commanding General's Golf Scrambles:** Test your golf game in the CG's Monthly Golf Scramble **July 27 and August 31**. Register your team of four today by calling 706-545-0397. Entry fee is \$30 in advance and \$35 the day of the event. Sponsored by Kia AutoSport of Columbus.

- **Annual Memberships:** All pro-rated annual golf memberships include eligible dependents at no extra charge. What a great time to introduce family members to the game of a lifetime! Call 706-545-0397 for information about personalized memberships and golf specials.

- **Active Duty Personnel:** The Fort Benning Golf Course continues to offer exclusive specials for active duty service members. For 90 consecutive days, active duty personnel can play unlimited golf at discounted rates! Join at any time of the month. E5 and below pay \$60, and E6 and above pay \$90. Golf Cart rental, range balls and other equipment available for purchase.

- Never wash your ball on the tee of a water hole.
- If you really want to be better at golf, go back and take it up at a much earlier age.
- One good shank deserves another.
- No golfer ever swung too slowly.
- No golfer ever played too fast.
- No matter how badly you play, it's always possible to play worse.
- The less skilled the player, the more likely he is to share his ideas about your golf swing.
- It's not a gimme if you're still away.
- The more your opponent quotes the rules, the greater the certainty he cheats.
- The wind is in your face on 16 of the 18 holes.
- The ball always lands where the pin was yesterday.
- No one with funny hats ever broke par except Tiger Woods.
- If you're hitting your shots straight on the driving range, it's probably because you're not aiming at anything.
- The only thing you can learn from golf books is that you can't learn anything from golf books, but you have to read an awful lot of golf books to learn that fact.

ARMY 10-MILER

For more than 30 years, the Army Ten-Miler has promoted the Army and its fitness goals, while building esprit de corps and enhancing community relations. This October more than 30,000 runners will take to the streets of Washington, D.C. to participate in the Army's premier running event. The race is produced by the Military District of Washington and all race proceeds benefit Soldier MWR programs.
