

A Better Benning 2021

Garrison 1st Quarter

	What is the Problem?	Garrison	Status
1	<p>Half the post is shut down while other TRADOC units are running 100% with no resources to stay in the fight.</p> <p>When you go to the designated buildings or shops you are turned away by the person needed to speak with and told to email. Then said person doesn't monitor their emails.</p>	<p>This issue has been resolved with the change in HPCON to "A" and the rescinding of the General Orders restricting activities. The Garrison workforce has been instructed to cease telework and return to full capacity in the workplace minus a very small demographic that requires reasonable accommodation.</p>	Closed
