FREQUENTLY ASKED QUESTIONS:

Where can I park?

Parking is available in designated areas around McGinnis Wickam Hall, at Smith Fitness Center, Building 6 and designated ranges along Dixie Road.

Can we bring coolers/refreshments?

You can bring coolers, bags and backpacks, but no alcohol or glass. There will be plenty of food, beverage and beer vendors available. All bags and coolers are subject to search by security personnel.

What kind of food and beverages will vendors sell?

We have more than 50 vendors, too many to list here. They'll serve hamburgers, hot dogs, pizza, BBQ, seafood, nachos, funnel cakes, ice cream, shaved ice, lemonade, beer, and so much more. Look for German, Asian and Chinese options, too!

Can we bring pets?

No. For reasons of safety and sanitation, please leave your pets at home. Service animals are permitted.

Is the event handicap friendly?

This event is accessible to individuals with disabilities. Requests for sign language interpretation or other accommodations should be directed to 706-545-4499.

Will there be a shaded area?

Yes, York Field is surrounded by trees, and we will erect a very large shade tent.

Can we bring lawn chairs, blankets and canopies?

Certainly. Small canopies without sides are allowed in the designated area on York Field.

Why do I need tokens? I thought this was a free event.

For their safety and convenience, our food and beverage vendors only accept tokens. Admission, entertainment, parking, children's activities, concerts and fireworks are all free. Tokens are \$1 each. You can purchase them on site or get them early, between 8am-4pm weekdays at Building 228, 7370 Kilgore Street on Main Post. Unused tokens can be redeemed for full value. You can purchase tokens with cash, credit or debit cards. An ATM is located inside McGinnis Wickam Hall and at Kinetic Credit Union on Eckel Avenue.

What if it rains?

A little rain doesn't scare us, but if there's lightning or high winds, we will postpone the fireworks show until June 24. There will be no vendors, games or entertainment. Stay up to date on our Facebook page, at facebook.com/BenningFMWRfans.

What else do I need to know?

Thanks for asking! You need to know that smoking is permitted only in designated areas. Look for signs. And weapons of any kind, professional video or photography equipment is not permitted.
