FORT BENNING'S

INDEPENDENCE CELEBRATION

FEATURING **LADY
ANTEBELLUM**

WITH SPECIAL GUEST
BAILEY BRYAN

JUNE 29 ★ 4-11PM

YORK AND GARDNER FIELDS

WE never celebrate July 4th on the 4th of July, and we make no apologies for it. We host the annual Independence Celebration early for a variety of reasons but mostly because we know it's important for our Soldiers to travel over the holiday to be with family and friends. You should never have to choose between our celebration and celebrating with the ones you love. You value your family; we value your priorities.

This year's Independence Celebration will be 4-11pm June 29 on York and Gardner fields on Eckel Avenue, in front of McGinnis Wickam Hall. Admission is free, and this event is open to the public.

Though the highlight of the annual Independence Celebration is always the finale, the largest, grandest fireworks show in the Chattahoochee Valley, you'll also enjoy great concerts, featuring Lady Antebellum, with special guest Bailey Bryan and a special performance by the Maneuver Center of Excellence Band.

As always, the Silver Wings will conduct aerial demonstrations and Rangers will perform high-speed insertion and extraction operations via a rope and a helicopter, a thrilling show we call Fries & Spies. Our friends from Airborne School offer guests the opportunity to jump from a 34' Airborne Training Tower on Eubanks Field.

This should be on your Fort Benning Bucket List.

Aside from the traditional games and a great variety of food, guests will enjoy crafts, a petting zoo and more of those crazy inflatable bounce houses than you can shake a stick at. All free! Let the kids jump till they puke, then send them back for more.

Food and beverages will be available for purchase all throughout the event. Our food vendors only accept tokens, which are \$1 each. You will be refunded for unused tokens, so load up early and save yourself a return trip to the token trailer. You can also purchase ahead of time starting June 3, weekdays between 8am-4:30pm in Building 228 on Kilgore Street, and return unused tokens there afterward for a refund.

For a schedule of events go to benning.armymwr.com.

LETTER FROM DIRECTOR

AL GELINEAU

Director of Family and Morale, Welfare and Recreation

Fort Benning is a Healthy Army Community, another reason we believe #lifeisbetteratbenning. Perhaps you've noticed an emphasis all across the installation on wellness. We are working hard to make it easy for you to make wise choices when it comes to dining and fitness options. MWR dining facilities offer a variety of healthy options, and our website – benning.armymwr.com – lists fitness classes and camps for all ages, recreation opportunities to keep you active, and maps of all our trails for running, biking and hiking.

At this time of year, it's easy to kick back and find your recreation in front of the TV, in the air conditioning. I'm hoping you'll take advantage of the MWR swimming pools, indoor and out, to keep the family active all summer long.

Our outdoor pools, the Breezeway and Carey, open the weekend of the Memorial Day holiday. You will find hours of operation for both pools listed at benning.armymwr.com. There you will also find information about swim lessons. We offer classes for babies, 6 months and older, and children all the way up to 17 years old, in four sessions, starting in June. These classes fill up quickly, so don't wait.

We're wrapping up renovations on the Smith Fitness Center Aquatics Complex, and I expect it to be open soon. Please stay tuned to our website for information and be sure to register there for email updates. We'll send you a notice when it opens. Until that happens, you'll find lap-swim hours available at the Briant Wells indoor pool listed on our website.

Swimming is a lifetime sport. It is one of the few sports one can enjoy at any age and with minimal investment. And unlike those that naturally cause wear and tear on the body over prolonged periods of time - sports like football and basketball - swimming is a low-impact, low-stress activity that is ideal for all ages and abilities.

On behalf of the team here at the Directorate of Family and Morale, Welfare and Recreation, I want to wish you a safe summer, one filled with fun and healthy activities for the whole family.

BRINT GACHES

Fort Benning Golf Course Superintendent

Brint Gaches, a Georgia native, is the new Fort Benning Golf Course Superintendent with more than 20 years of golf course maintenance experience. Brint came to Fort Benning from Highland Country Club in LaGrange, Georgia, and is new to the MWR family. He looks forward to reviving the golf course to its former beauty.

“My main goal is to get the golf course back into great shape, and to get people excited about coming out to play our course,” Gaches. “It’s an honor to give back to those that give so much for our country.”

When Brint is not taking care of the 18 holes at Fort Benning, he enjoys working out, hunting and fishing.

WHAT IS BOSS?

Better Opportunities for Single Soldiers (BOSS) was initiated in 1989 for the more than half of all US Soldiers who are single. The program welcomes all Soldiers, all ranks and ages, as well as authorized MWR patrons, including civilians.

COMPONENTS OF BOSS:

Quality of Life/Well Being: This includes issues that influence the morale, living environment or growth and development of Soldiers. Examples include problems in living quarters, parking, PX/commissary issues and concerns about utilities, such as telephone or cable service.

Community Service: Activities are planned with on- and off-post agencies. Many programs ask us to provide volunteer support for their projects, which have proven to be worthwhile for everyone involved. Soldiers acknowledge that volunteering makes a noticeable difference in their lives and the lives of others. All community service projects provide the opportunity to increase awareness about the BOSS program while demonstrating the outstanding character of BOSS Soldiers.

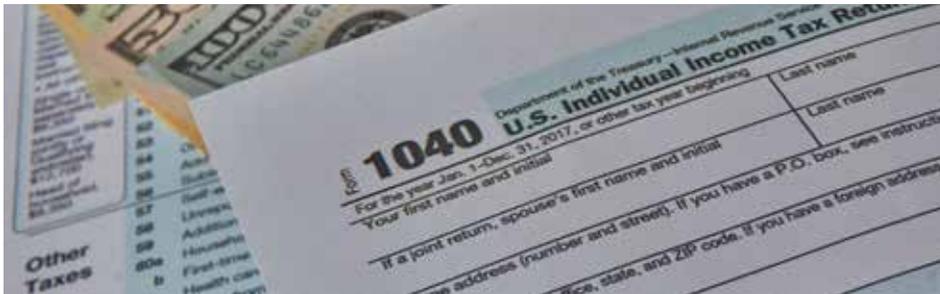

Recreation and Leisure: Ideas for trips and events are planned and supported by BOSS Soldiers and coordinated through the BOSS advisor and president. They must receive military and civilian chain of command approval. Money raised through BOSS fundraisers often pays for a portion of expenses associated with activities.

MILITARY SPOUSE APPRECIATION DAY

On Military Spouse Appreciation Day, we honor the contributions and sacrifices made by military spouses. President Ronald Reagan recognized the profound importance of spousal commitment to the readiness and well-being of military members with Proclamation 5184, dated April 17, 1984. Congress made Military Spouse Appreciation Day part of National Military Appreciation Month in 1999, and the Department of Defense standardized the date by declaring the Friday before Mother's Day every year as Military Spouse Appreciation Day.

To show our gratitude to the spouses who hold down the fort for their Soldier and families, ACS will host a **Game Night from 5-9pm May 9** at the Supper Club for the spouses of active duty and retired service members. Participants must present a military dependent ID to participate. For more information, call 706-545-4043/3016.

FINANCIAL READINESS PROGRAM (FRP)

Was your tax refund this year less than you expected? According to the IRS, the average tax refund was down 8 percent. The 2017 Tax Cuts and Jobs Act (TCJA) reduced taxes for most households and it reduced the amount employers withhold from your pay for federal taxes. State tax withholdings are not impacted. States that mandate withholding estimated taxes still use marital status and number of exemptions you file on your state W-4 or MyPay. The federal government uses a different system.

Some taxpayers use their federal tax return as a savings program or to pay down debt. Most financial planners discourage this practice. There is a better way to accomplish the same goal, at less cost to you. For information on how to effectively pay off debt and save more money all year long instead of waiting for tax season, call 706-545-4043 to schedule an appointment with an ACS Financial Readiness counselor.

We host Budgeting & Bank Account Management classes at 8:30am every Monday in May and June.

THE COMMUNITY ACTIVITIES RESOURCE EXCHANGE (CARE)

CARE provides information on events and issues of interest within the surrounding communities. CARE is a forum where concerns are voiced and responses are heard from subject matter experts. CARE meetings are 9:30-10:30am at the ACS Auditorium, Building 7, 7117 Baltzell Avenue. Join us **May 7** to learn about summer programs and camps, including those offered by Child & Youth Services, the National Infantry Museum, Muscogee Moms, Columbus State University, Springer, and more. This will be the last CARE meeting until school resumes in September.

EMPLOYMENT READINESS PROGRAM (ERP)

ERP offers the following classes:

10 STEPS TO A FEDERAL JOB – Learn Federal Resume styles, necessary key words and tools to enhance your federal referrals. Understand hiring processes, preference eligibilities, how to apply for and secure government employment. Job Seeker's Guide (\$19 value in bookstores) is free to attendees.

May 21, June 25 – 9am – 4pm, ACS, Building 7, Training Room

To register, call 706-545-4043/7517.

Spouses are encouraged to attend, and children are welcome. Breakfast Refreshments are provided.

DOG PARK AND RULES

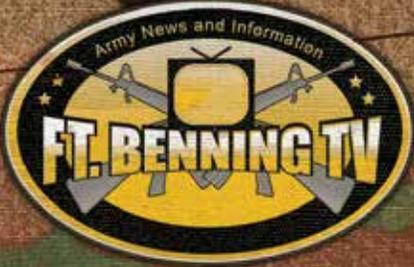

POOP HAPPENS... BUT PICK IT UP!

Please help us keep these fields clean for the sake of hygiene and good taste. If your dog (or ferret or toddler or whatever) relieves himself in a public place on post, please do us all a favor, bag it and toss it in a trash receptacle, even if no one is watching.

They say – the ubiquitous “they” – that your character is defined by what you do when no one is around to see what you’re doing. Or not doing. I say your character is defined by whether or not you scoop when no one is around, or when you’re in a hurry, or when you’ve got one hand on the leash and the other on a stroller. Or when, gulp, “it’s” not quite solid enough to be easily scooped. Too bad, do it anyway.

And, if you’re one of the faithful who happens to observe someone derelict in his doodie, please point it out to him. Literally, point it out to him. Point, cough, clear your throat, hand him a scooper and a plastic bag, or follow him home and dump it on his doorstep. No, don’t do that, but you get the idea.

Let’s not allow the two-legged irresponsible animals, those pet owners, to ruin our nice parks. Poop has its place, and it’s not a public place.

SERVICES

AUTO SKILLS CENTER

One of the Army's largest auto repair centers, with 42 bays, the Fort Benning Auto Skills Center employs certified mechanics and training instructors who stand ready to help you repair or customize your car. You-do-it customers have on-site access to a free computer program that provides easy-to-read, step-by-step instructions on every kind of repair imaginable. It will also tell you what parts you may need to purchase and what you should expect to pay for them. You'll likely find them in stock at the Auto Skills Center, priced less than you'll find off post, and tax free!

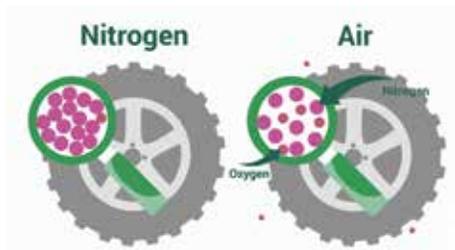

For those without the time or inclination to make repairs themselves, the center offers the same mechanical services one might find off post, such as tune-ups, round-the-clock towing, brake inspections and repairs, tire services, air conditioning checks and charges and so much more, at prices less than you pay elsewhere.

The staff at the center makes themselves available by appointment for classes and demonstrations for Scout groups, FRGs and more. To schedule a class, a free vehicle safety inspection or a pre-purchase inspection, call at 706-545-2337.

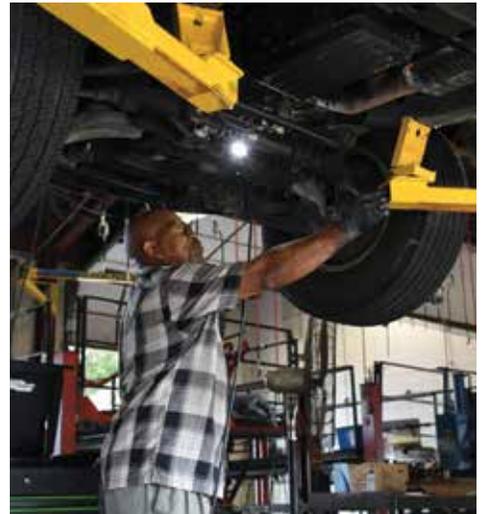

Take 10 years off your vehicle. Fort Benning's Auto Skills Center offers a new service to remove the 'cataracts' from your headlights and restore their luster for only \$40. Replacing your headlights costs more than \$300 - why spend that much money if they work perfectly fine? Unlike those spray applications folks offer at your local

shoppette or gas station, restoration removes the damage, it doesn't cover it up. Your like-new headlights will last for years. Call 706-545-2337 for more information.

Nitrogen prohibits moisture from collecting inside your tires, providing a safer, more stable drive, extends the life of your tires and increases fuel efficiency. Replace the air in all four tires for less than \$28 - without an appointment. For more information, call 706-545-2337.
