## LETTER FROM DIRECTOR

What a year! Though the start to this new decade has had its challenges, 2021 brought us all a little closer to normalcy. Believe me, I know you were all craving it. We were able to bring back some of our most-loved events like Eggstravaganza, the Independence Celebration, Oktoberfest and outdoor concerts.

We were also able to complete many long-term projects that we're excited to invite you to visit! We opened the new, state-of-the-art Main Post Java Café in the old CB&T Bank on Ingersoll Street where we have several new menu items for you to enjoy. The newly renovated McIver Suites and the Marshall House have had magnificent makeovers, perfect for when family or the in-laws come to stay, and both of our bowling centers have received upgrades.

We've been listening to you, too, Fort Benning! Of the issues that were raised during the 2021 Better at Benning Army Family Action Plan (AFAP) Forum, I'm happy to announce progress on two of the major topics. In November 2021, the Teen Wellness Center opened its doors to youth ages 11 - 18. The Teen Wellness Center is dedicated to giving teens a free, safe place to exercise, and CYS staff is always onsite to provide equipment instructions and to help develop workout plans. The other major topic that arose during the forum was also wellness related: the absence of a 24-hour fitness center on Fort Benning. Well, you can expect that to change in 2022! We know that being a TRADOC installation means that the schedules of many of our patrons vary greatly, so Smith Fitness Center on Main Post will become a 24-hour facility, enhancing soldier readiness - day or night.

So, what's in store for 2022? My incredible team has found a way to remove the worry and keep you busy! All of our upcoming events and programs were carefully planned following installation mitigation measures to continue to keep you safe. We have kayak trips, boat cruises, campouts and recreational shooting events planned for our outdoor enthusiasts. Our 5K Fun Run series, the Oktoberfest Lederhosen Leap and Dirndl Dash, Turkey Trot and Ugly Sweater runs return for our fitness enthusiasts. We have mother-son and father-daughter dances, Eggstravaganza, EFMP Field Day, the Character Breakfast, the Summer Reading Program and Youth Sportsman's Day planned for our families. In fact, we have so much in store that I could easily fill this page, but I sadly have a character limit to adhere to. Be sure to continuously check our website at [benning.armymwr.com](http://benning.armymwr.com) to get the most up-to-date information available! As we embark upon another year, I want to personally thank everyone for your patience and perseverance. We worked together and remained vigilant in the effort to curb the spread of Covid-19, and you continue to prove to me that life is truly Better at Benning. Cheers to a successful 2022!

# STAYING Healthy OVER THE HOLIDAYS

**A** new year means a new opportunity to focus on fitness for the whole family. More and more, forward-thinking parents are adopting a holistic approach to family care by adopting smart dietary practices and sustainable fitness goals. Fun fitness is sustainable fitness, and choosing activities that are fun and healthy leads to lifelong healthy habits. They say an ounce of prevention beats a pound of cure, and we think a trip to the gym beats a trip to the doctor any day!

At MWR, it is our mission to offer you a wide range of opportunities and options for the health and welfare of your family. Spend a few minutes on our website at [benning.armymwr.com](http://benning.armymwr.com), and you'll find a great variety of healthy food options, activities for all ages, and educational opportunities for the whole family.

#### **Here are a few things we'd like you to know.**

- Child & Youth Services offer classes, individual and team and sports, camps, and child care options that give them the chance to make memories – and friends – that will last a lifetime! CYS Sports is registering now for Spring Sports, including baseball, softball, soccer and kickball. The newly

developed Youth Instructional Program will offer zumbini, tumbling, functional fitness and more. For information about any of these opportunities, call 706-545-2079.

- For adults, we have a number of fitness centers to help you keep your New Year's resolutions. At [benning.armymwr.com](http://benning.armymwr.com), you'll find information on our five free fitness centers, including Smith Fitness Center, Audie Murphy Athletic Performance Center, Whittington High Performance Center on Harmony Church and Santiago on Sand Hill. Audie Murphy Athletic Performance Center, Whittington High Performance Center and Kefurt Fitness Center will only be open to patrons who have fully completed

their COVID-19 vaccination. Visit any fitness center on Fort Benning before or during their first visit to the Audie Murphy APC, Kefurt or Whittington HPC to ensure your ID reflects your vaccination status. Registering your ID card is easy!

- To help you in your efforts to develop a healthy, active lifestyle for the whole family, we have a number of parks, trails and tracks all across post. Make this the year you teach the kids to enjoy the great outdoors. At Russ Park on Main Post, they'll run and climb and swing and fish. You might try your hand here at Disc Golf. Russ Park is the location of the free Family Fishing Night event, held in the spring and fall when the weather cooperates. We partner with the folks from the Conservation Branch to foster a healthy harvest of fish at Russ Pond. One good catch, and the kids will be hooked! Across post, at Kings Pond, we host the free Family Campout, and your family will enjoy free opportunities to kayak, camp, test their marksmanship skills and more. Check out all of the parks, ponds, trails and tracks at [benning.armymwr.com](http://benning.armymwr.com).

- Though we occasionally host competitive sports for all MWR adult patrons, the Commander's Cup Intramural Sports program, All Army Sports, and post teams are reserved for active duty service members, who enjoy softball, basketball, football, volleyball, soccer, rugby, golf and more. You will find details and schedules under the Sports & Fitness tab at [benning.armymwr.com](http://benning.armymwr.com).

- All our dining facilities offer healthy options. The Java Café serves incredible fresh wraps, keto options and salads.

**\$3 class**

**We offer a variety of fitness classes. The cost is \$3 per class or \$25 per month for unlimited classes. We'll be happy to send you a calendar of classes each month. To request a class schedule, email [benningmwr@gmail.com](mailto:benningmwr@gmail.com).**

**\$25 month**

- Though most of the events in our annual race series are quite challenging, we find kids are quite often up to the challenges, and some of the events offer an alternate course for those less inclined to tackle the tougher stuff. Check out the calendar on our website for more information about the 5K Race Series, the Oktoberfest 10K and more.

You'll find information about all our restaurants and dining facilities on our website.

There you have it, an abbreviated list of ways we can help you start your new year on a healthy note. You'll find much more information on our website, where you'll find a helpful events calendar, and on our Facebook page at [BenningFMWRfans](https://www.facebook.com/BenningFMWRfans). Join us there, and let's explore new opportunities together!

### FEBRUARY IS TEEN DATING VIOLENCE AWARENESS MONTH

Dating violence, especially among teens and young adults, is more common than many people think. In the US approximately 1 in 10 teens report experiencing physical violence by an intimate partner in the past year and 1 in 3 teens will experience physical, sexual or emotional abuse from an intimate partner before they become adults.

Prevention and education are key to stopping dating abuse. A simple and effective way to help teens is to reach

out and have conversations that help them gather information and raise awareness. Help them recognize the signs of unhealthy relationships and identify characteristics of healthy relationship.

#### **UNHEALTHY RELATIONSHIPS**

- Checking your phone, email, or social media accounts without your permission
- **Putting you down frequently, especially in front of others**
  - Isolating you from family or friends
  - **Extreme jealousy, insecurity or controlling behavior**
  - Any form of physical harm
- **Makes threats to harm your loved ones, including pets**

#### **HEALTHY RELATIONSHIPS**

- Supports your relationships with friends and family
- **Asks your opinion and respectfully listens to your answers**
  - Accepts responsibility for his or her own mistakes, behavior, thoughts or feelings
  - **Trusting and safe**
- Shared decision-making, budgeting, and allocation of resources

Everyone can make a difference and take a stand against dating violence. If you know a teen or parent who could benefit from speaking to a caring, well-trained peer advocate, please connect them with the National Dating Abuse Helpline at 1-866-331-9474, by texting “loveis” to 77054, or through live chat at [loveisrespect.org](http://loveisrespect.org).

Join the Fort Benning Family Advocacy Program to raise awareness about teen dating violence and promote safe, healthy relationships. Be on the lookout this February for special events and activities. Stay connected to the MWR Facebook page and installation marquees for updates or call 706-545-0892 for more information.

### COMMUNITY ACTIVITIES RESOURCES EXCHANGE

The Community Activities Resources Exchange (CARE) meetings provide information on events and subjects of interest within the surrounding communities to the Fort Benning community, specifically spouses and those who disseminate information throughout the community. ### FINANCIAL READINESS PROGRAM

"Here we are again...Time for a fresh start and time for me to get a handle on my finances." This is a thought that crosses a lot of our minds at the end or beginning of the year. Maybe you went a little overboard with your holiday spending and are determined to plan ahead for next year. Perhaps one of your goals for the New Year is to reduce or eliminate your debt. Maybe your finances are in decent shape and you want to know how to better use your resources to plan for the future. But, where do you start? We start at the beginning. The beginning of the year is a great time to re-evaluate our spending and priorities. The first question to ask yourself is "What do I have coming in and what do I have going out?" When you understand that, then you know whether or not you are living within your means. Once you know the answer to that question, it is much easier to know if you need to work on budgeting to better control your spending, pay down debt because you have some money left over after your monthly obligations are met, or if you can start saving towards a goal.

Remember that you don't have to do any of this alone. The military provides FREE Financial Counseling and support to service members and dependents. Call Financial Readiness at 706-545-4043.

#### Upcoming Classes:

Smart Car Buying: Thursday, January 27, 1 – 3 p.m.

Building Credit and Managing Debt: Thursday, February 3, 1 – 3 p.m.

### BETTER OPPORTUNITIES FOR SINGLE SOLDIERS (BOSS)

Every Army installation is authorized a BOSS program, with a president, representatives from each major subordinate command, a senior military advisor (usually the post or Garrison Sergeant Major) and advisor from MWR, who assists with financial planning, marketing and guidance.

Without Soldiers, there is no BOSS program. Every company, battalion, regiment and brigade will have a primary and alternate representative on orders for this additional duty. In addition, every company in each major subordinate command group, will have a primary and alternate company representative. Representatives act as liaisons, passing information to the Soldier and relaying questions, comments and concerns from the

Soldier to BOSS committee members and the chain of command.

BOSS meetings are held last Wednesday of the month at the Main Post Recreation Center, Building 2784, 7611 Sightseeing Road, 706-617-7223.

### FAMILY CHILD CARE (FCC)

In our continued efforts to grow the Army FCC Program, we still offer a retention bonus of up to \$1,000 to FCC Providers who relocate their home business to their next installation and a recruitment bonus of up to \$1,000 will be offered to those who successfully open their homes for the first time!

The FCC program is an integral part of the Child, Youth Services (CYS) child care system available on Army garrisons. FCC provides quality home based care for children 4 weeks to 12 years old and is offered in government owned and government leased housing located on post.

FCC has unique qualities that make it a preferred choice for many families. It offers flexible hours: full day, part day, extended /overnight, weekend and hourly care in a comfortable home setting. FCC also offers a 15 percent cost savings compared to Child Development Centers and School Age Care fees.

FCC Providers are vetted and only the best qualified candidates are recommended for certification. Providers must complete background checks and regular home inspections as a part of certification. They also receive paid ongoing training for professional development.

Army policy requires that anyone providing care on a regular basis for more than 10 hours per week, must be certified through CYS as a FCC provider.

Providing unauthorized child care in government owned/leased housing puts you at risk of losing your housing privileges. Unauthorized child care by an uncertified person puts your child at risk.

For more information on how to register your children in the FCC Program visit [MCC.COM/MilitaryChildCare.com](https://MCC.COM/MilitaryChildCare.com)

Interested? Visit <https://benning.armymwr.com/programs/family-child-care-fcc> and contact Natalie Hodgdon, FCC Director at 706-545-4868 for more information.

**WARRIOR ADVENTURE QUEST:** Warrior Adventure Quest (WAQ) is an Army RESET training tool designed to introduce Soldiers to activities that serve as alternatives to aberrant behaviors often

associated with accidents involving recently redeployed Soldiers. This tool presents coping outlets to help Soldiers realize their own new level of normal after deployment and "move on" with their lives. WAQ combines existing MWR Outdoor Recreation high adventure activities with a leader-led, after-action debriefing tool developed by Army Medical Department center and school. WAQ is free to units; funding has been provided by the Department of the Army. WAQ eligibility includes all units located at Fort Benning, active duty Soldiers only. Units may participate post-deployment or once every two years for non-deployable units. Activities offered include archery tag, go-karting, paintball, trap shooting, whitewater rafting and ziplining. To learn more or to schedule an event, visit [benning.armymwr.com](http://benning.armymwr.com).
