STAR TEAM

Summertime is pool season, and what better team to highlight in this edition than our lifeguards!? This team is essential for us to provide a safe aquatic environment, and we certainly wouldn't be able to enjoy summer pool parties without them!

You've likely seen lifeguards in the movies, and most of the time they're in dramatic situations or joking around with their buddies, right? Well, that's not always the reality, but being a lifeguard does involve a lot of responsibilities to keep the pool running efficiently and patrons safe.

Outside of the obvious duties, this hardworking team is responsible for maintaining pH levels, ensuring the pool deck is clear, making weather calls in emergencies and overseeing the enforcement of pool rules. Lifeguards also have the task of scanning the pool at all times to identify swimmers in distress. This is why you might notice them changing guard stations frequently in order to maintain alertness.

Not only do our lifeguards protect our recreational swimmers, they also provide lifeguarding duties during the countless military trainings that take place on the installation annually. This team's efforts in keeping Fort Benning safe by preventing accidents and saving lives is vital. We're happy to have this fun crew around!

TRAINING

Leading up to summer pool season each year, MWR offers American Red Cross Lifeguard Courses that are conveniently scheduled on weekends and over spring break. The courses are open to everyone 15 and older, and participants will receive a two-year certification that includes the American Red Cross certification, first aid, CPR, and AED training. Visit Benning.armymwr.com to view the prerequisites.

CAREERS

Fort Benning MWR maintains four pools – two indoor pools and two outdoor pools – which means we need all hands on deck year round. Interested in the responsibilities of becoming a lifeguard with Fort Benning MWR? Apply online at USAJobs.gov.

Auto Skills Center

Repair or rebuild your own vehicle, or let us do it for you! As one of the Army's largest auto repair centers, with 42 bays, the Fort Benning Auto Skills Center employs certified mechanics and training instructors who stand ready to help you repair or customize your car. You won't encounter high-pressured upselling from our team of honest professionals. That's not our style, and it's not our goal. We're here to help.

Bay rental customers have onsite access to a variety of tools, vehicle lift and a free computer program that provides easy-to-read, step-by-step instructions on every kind of repair imaginable. It will also tell you what parts you may need to purchase and what you should expect to pay for them. You'll likely find them in stock at the Auto Skills Center, priced less than you'll find off post, and tax free!

For those without the time or inclination to make repairs themselves, the Center offers the same mechanical services one might find off post, such as tune-ups, alignments, fluid flushes, brake inspections and repairs, tire services, air conditioning checks and charges and so much more, at prices less than you pay elsewhere.

The Center's staff is available by appointment for classes and demonstrations for Scout groups, Soldier & Family Readiness Groups and more. To schedule a class, a free vehicle safety inspection or a pre-purchase inspection, call 706-545-2337. Visit benning.armymwr.com for a full list of services and hours of operation for the Auto Skills Center and Bay Rental (Do-It-Yourself Service).

UPCOMING AUTO CLASSES:

How to Perform an Oil Change: April 24 and July 24

Basic Maintenance Class: June 19 and September 18

Basic Maintenance Class (Women Only): March 20

What to Look for During a Pre-Trip Inspection: May 22 and August 21

For only \$11 per vehicle for 30 days, customers can take advantage of the convenience and visibility that the lot offers. Shoppers interested in purchasing a vehicle from the lot will find prices and contact information on the vehicle, usually posted near the windshield. For additional information and policies, visit our website or call 706-545-7978.

BETTER OPPORTUNITIES FOR SINGLE SOLDIERS

Calling all single service members! Fort Benning has an energetic, innovative and robust BOSS program. The Better Opportunities for Single Soldiers (BOSS) program was founded in 1989 for the benefit of the more than half of all service members who are single, single parents or unaccompanied of all ranks and ages. BOSS members participate in several exciting activities, and they benefit from various discounts and free passes to shows and sporting events. Of course, they're well-known in the community, on post and off, for the many hours they devote to volunteering. The BOSS program is composed of three components: Quality of Life/Wellbeing, which addresses issues that influence the morale, living environment or growth and development its members; Community Service, which includes volunteer projects on post and off; and Recreation & Leisure, which includes trips and events that are planned and supported by BOSS members. BOSS meetings are held on the last Wednesday of the month at the Infantry Bar. Please reach out to the Fort Benning BOSS President at 706-545-6040, or stop by their location at Outdoor Recreation, Building 1707.
