

# Recreational Shooting Complex

## Privately Owned Weapons (POW) and Post Access

### Information Sheet

**Customers bringing their privately owned weapons to the Recreational Shooting Complex must be registered prior to the weapon entering the installation.**

To register your weapon for use on Fort Benning:

1. You will need the following form: [FB \(DES\) Form 190-11-R](#), or at <https://benning.armymwr.com/programs/recreational-shooting-complex> under policies.
2. You will fill out the form and send the form to the Directorate of Emergency Services (DES) Military Police (MP) Station on Fort Benning to the following email to be processed: [usarmy.benning.id-training.mbx.police-records@army.mil](mailto:usarmy.benning.id-training.mbx.police-records@army.mil)
3. When the form is processed, the Program Management Office (PMO) will return a copy of the form to your email. This process is done Monday thru Fridays only and normally takes one to three days for a turn around.
4. When you receive the form, you will need to always keep this form with your weapon when transporting the weapon onto the post.

When you arrive at the Recreational Shooting Complex:

1. You will bring only the form into the Pro Shop to show that the weapons you are going to fire on the range is registered on Fort Benning.
2. The staff will check the approved form to make sure all is correct.

Transporting your weapon:

1. Make sure it is in a case (hard or soft), it may not be transported in a sock sleeve or uncovered on post.
2. Ammo must be kept separate from the weapon when transporting.
3. You are only authorized to transport weapons only to ranges, hunting areas, and off post home.
4. All weapons must be unloaded when entering the post, no loaded weapons carried on post.
5. This post does not allow the carry of weapons on your person.

**Post Access for non-ID Cardholder using FMWR Recreation Installation Access Pass:**

1. Please follow the QR Code or weblink below for full details for post access.
2. <https://home.army.mil/benning/About/gates-visitors>
3. This process normally takes one to three weekdays days for a turnaround time.
